Game Report for Cottesloe Golf Club 15th October

David Wilkins and the Aspen Consumer team generously sponsored this day

It was another great day to play golf at one of Perth's premiere golf courses. We had 58 lucky players start the afternoon that was played in lovely spring conditions. The course was in fantastic condition that was evident in the very impressive scores of the winners on the day. Congratulations to Cottesloe and the committee & many thanks to the sponsors who make these golf days possible.

Thanks to our continued sponsors API, Sigma, Symbion, Stirling Pharmaceuticals & Network Packaging (nearest the pins).

Mount Lawley Golf Club (Inc)

Mt Lawley 27th November

Registration from 11.30am and the welcome briefing is at 12.15pm and the game will have a shotgun start commencing at **12.30pm**

We will begin with lunch, followed by a shotgun start. Afterwards we will have our usual presentations and we will also be presenting our Club Champions awards for 2012. As this is a special night in our calendar a three course dinner together with beer, wines and soft drinks will be provided to ensure it is a great finish to the year.

Thanks to Richard's generous sponsorship the cost has been kept at \$95 for members & non-members \$125. Non-playing partners are most welcome to join us for the post game function at a cost of \$50.

Richard Gorman from Corporate Leasing generously sponsors this game. Richard is a long time supporter of the club and joins again this year for the final game of 2012. Remember call Richard for any of your finance & leasing requirements.

In the Scottish tradition, each of the holes is named and it is a part of the club's culture to refer to holes by name rather than number. The club's signature hole is Commonwealth, a short downhill par three with a green shaped like Australia and a flagstick adorned by the national flag ([hole 13](#)).

Course Care

Bunkers:

1. Always enter the bunker at the lowest point.
2. Pull rake toward you as you exit the bunker.
3. If required, rake other affected areas.
4. Do not pile sand at the edge of the bunker. Push back excess sand.
5. Do not rake the face of the bunker. Smooth out with the back of rake.

Sigma International Golf Day October 2012, Fiji

Bula!! Each year Sigma has a golf day in each state for its pharmacists. The first two place getters in this handicapped competition win the ultimate prize, a trip to Fiji to compete in the national competition. Or you can pay your way into this event, like me!!

This event is a golfer's ultimate dream. Up early for breakfast, onto the bus for the 65 second trip to the course, hit a few balls, have a bit of banter, lunch in the clubhouse, 18 holes on a superb golf course in exotic surroundings with a breeze blowing off the Pacific Ocean, drinks cart every 30 mins, drinks with playing partners after the game, back to the hotel, dinner and stumble home about 11pm. The only thing that trumped this was that we did it **3 days in a row**. If you were lucky enough, like me you were able to play with professional, Peter Lonard, an unforgettable experience.

Although this was a golfer's dream, what made this event spectacular was the camaraderie. Having 40 people in total, thrown together, who in effect, didn't know each other, forces people to lower the defence mechanisms and get in there and have a chat. On lots of these occasions everyone was well lubricated to facilitate conversation, but in many they weren't. No other place would you meet Handbrake Jack, Fancy Dress Anthony, Dan the Man and Pickled Trevor.

It was Sigma, which drew everyone to Fiji, but it was the love of golf, which drew everyone together.

Having not been to Adelaide for a SA/WA Challenge, but having experienced one in Perth, I'm really looking forward to April 2013. From all accounts the camaraderie is always high, the courses are brilliant and the people are fantastic. Who would have thought there were similarities between Adelaide and Fiji? Incredible isn't it!!

Editors Note:

What Tyson failed to mention was the 2 representatives for WA were Dave Manuel & Ian Barron who competed admirably but were not able to retain the national title won last year by none other than Paul Healy & Phil Willis.

A word from the committee

Thanks to everyone who completed the survey we are looking the feedback now and will report back to the club in the near future. Good news is that the website is getting closer and we hope that we will have it up and running for the 2013 season.

At our last meeting the matter of guests was discussed and the committee would like to remind members that invited guests should play with the member who has invited them. In addition the club rules state that a guest may play only twice after that if they are eligible to join as a member then that would be the normal course of action.

The next game at Mt Lawley is the last game of the year and also is that night of nights when the AGM takes place. Apart from the formalities of the AGM we look forward to keeping the business to a minimum and enjoy the serious part of the evening socialising. Speaking of AGMs that also means election of office bearers and committee so please consider if you can assist in any role on committee and put your hand up.

Did you meet your buddy at Cottesloe?

An initiative by the committee is to encourage members and guests to meet others who they may not have the chance to mingle with and especially to make acquaintances with new members, sponsors and guests. Upon registering for the game you will be given a buddy name that you will have a chance to share in his or her spoils if they are successful on the day playing golf.

WA/SA Challenge 2013 Adelaide South Australia
