March 2014

Winner of the Pharmacy Guild of WA Golf Day Sun Tan shown here being presented with the Guild Cup by Matthew Tweedie. What a great prize for Sun Tan the rest of the season golf fees paid for courtesy of the Pharmacy Guild of WA.

A field of about 50 players descended on Melville Glades GC. The weather gods were looking after us today, unlike the total washout last year, where the game was abandoned due to inclement weather for the first time in the club's history.

We sincerely thank Matt Tweedie and the WA Branch of the Pharmacy Guild of Australia for their major sponsorship for the day, as well as Sigma, API and Symbion for their continued sponsorship and Greg's Finance and Byfield's Accounting Services for sponsoring the nearest the pins and longest drives.

This was the first game where the AGU handicapping system was used and by all accounts the integration has been seamless, we sincerely thank Don Bodlovich for his fantastic work behind the scenes.

STOP PRESS: GET YOUR OFFICIAL GA HANDICAP BY PLAYING WITH WA PHARMACY GOLF CLUB

For the first time in it's 16 year history, the WA Pharmacy Golf Club will be affiliated with WA Golf.

This means that WAPGC members will be able to hold and maintain an official AGU handicap in the 2014 season for games played with the WA Pharmacy Golf Club. The AGU handicap is recognised throughout Australia for competition play and includes indemnity insurance.

Click [here](#) for more information on the benefits of the affiliation.

Whilst the committee recognises that current members who are members of an existing golf club, who already hold an AGU, may feel disadvantaged by paying an extra nominal cost to help subsidise the fees associated with being part of WA golf, the committee felt that it was in the best interests of the club to be part of WA Golf with the intention of increasing members.

Please do not hesitate to contact the club for any further enquiries or click on the links below;
