GAME REPORT

Many thanks to the sponsors from Getley Paulsen General Insurance Brokers who joined us for the game & generously supplied sponsors packs to all players. An enjoyable day was had by all – there were a number of new faces, the weather held off, we only had a few light showers, and the 4BBB format was well received. The course was in good condition allowing for the two temporary greens that were in play – this is likely to be the case for the next

two years at WAGC– by scheduling our events earlier in the year we may be able to avoid this
